

Phone: +49 (0) 170 1476886

Email: andreas.schaefer98@outlook.de

Address: 41 Rue Abbé Grégoire, 38000 Grenoble, France

Nationality: German

LinkedIn: linkedin.com/in/andreas-schaefer-826279239

Languages

- German (C2)
- English (C2)
- French (B2/C1)
- Spanish (B1)

Publication:

Dynamical Localization and Transport properties of Quantum Walks on the hexagonal lattice. *Math Phys Anal Geom* **28**, 33 (2025). https://doi.org/10.1007/s11040-025-09531-1

Further Skills or Interests

- Programming Languages: experienced in Python and Java, basic knowledge in Matlab, Julia and R
- Alumni of the Max Weber Programm Bayern

Andreas Schaefer

PHD STUDENT IN MATHEMATICS

Education

Since 10/2023	**PhD at Université Grenoble Alpes** Topic: Random Quantum Walks, Transport and Thermodynamics (Supervisor: Prof. Alain Joye)
08/2021 – 08/2023	**Master Mathematics at TU Munich** (final grade: 1.2) Thesis: Topological indices of Quantum Walks (Supervisor: Prof. Dr. Simone Warzel, Grade 1.3)
10/2017 – 07/2021	**Bachelor Mathematics at TU Munich** (final grade: 1.6) Thesis: Convergence of the Central Limit Theorem in Sobolev Spaces (Supervisor: Prof. Dr. Daniel Matthes, Grade: 1.0)
09/2008 – 06/2016	**High School:** Friedrich-Alexander Gymnasium in Neustadt a.d. Aisch (Grade: 1.0)

Stays Abroad

10/2025 – 12/2025	Research visit at Universidad Catolica de Chile, working with Prof. Olivier Bourget
09/2021 – 06/2022	Studies abroad at Université Grenoble Alpes, France with Erasmus SMS (M2R Fundamental Mathematics)
08/2019 – 07/2020	Studies abroad at University of Bergen, Norway with Erasmus SMS

Conferences and Talks

- 12/25: invited speaker at Universidad de Concepcion, Chile
- 09/25: Quantissima sur Oise, Cergy (contributed talk)
- 09/25: QMath 16, Munich (contributed talk)
- 02/25: Mathematical Challenges in Quantum Mechanics, L'Aquila (contributed talk)
- 07/24: ICMP Strasbourg
- 01/24: Mathematical Aspects of Quantum Mechanics, Toulouse

Andreas Schaefer, Grenoble, 09/11/2026
